

## CPR Draft Declaration of Performance – No. 116CPR2013-07-01

1. Unique identification code of product type:  
**GPS GEOTHERMAL COILS – SDR11**
2. Type, batch or serial number or any other element allowing identification of the construction product as required under Article 11(4) of the CPR:  
**GPS GEOTHERMAL COILED PIPES – SDR11 – ALL SIZES – CODES GE559xxx, GE560xxx, GE561xxx**
3. Intended use or uses of the construction product, in accordance with the applicable harmonized technical specification, as foreseen by the manufacturer:  
**Buried or above-ground conveyance of water, raw water prior to treatment, waste water, water for general purposes, vacuum-operated soil and waste conveyance and other liquids under pressure, for both outside and inside buildings**
4. Name registered trade name or registered trade mark and contact address of the manufacturer as required under Article 11(5):  
**GPS, Walsall Road, Norton Canes, Cannock, Staffordshire, WS11 9NS, United Kingdom.**
5. Where applicable, name and contact address of the authorised representative whose mandate covers the tasks specified in Article 12(2):  
**None**
6. System or systems of assessment and verification of consistency of performance of the construction product as set out in CPR, Annex V:  
**System 4**
7. In case of the declaration of performance concerning a construction product covered by a harmonised standard:  
**EN 15014: 2013**
8. Declared performance / Essential Product Characteristics:

| Essential characteristics  | Performance | Harmonised technical specification |
|--|-------------|------------------------------------|
| Reaction to fire   | F           | EN 15014:2013                      |
| External pressure strength   | Pass        |                                    |
| Internal pressure strength   | Pass        |                                    |
| Dimensional tolerances (EN 12201)  | Pass        |                                    |
| Tightness: Gas and liquid  | Pass        |                                    |
| Release of dangerous substances  | NPD         |                                    |
| Durability of internal pressure strength   | Pass        |                                    |
| Note: The use in installations of water intended for human consumption is not in the scope of this harmonized standard, but will probably be introduced in the future revision of this standard. Until then, the product can be used in installation of water intended for human consumption if it meets the relevant requirements of a separate Member State, (e.g. WRAS approval in the UK). Refer to Durapipe UK for further details on using the cement in contact with water intended for human consumption |             |                                    |

9. The performance of the product identified in points 1 and 2 is in conformity with the declared performance in point 8. This declaration of performance is issued under sole responsibility of the manufacture identified in point 4.

Signed for and behalf of the manufacturer by:

Mr Martin Gisbourne – Managing Director

Cannock. 2013-07-01
